

**REMARKS**

Reconsideration of the present application is respectfully requested in light of the above amendments to the application and the following remarks.

**Regarding the Claims**

Claims 1, 4 and 5 have been amended and new Claims 6 and 7 have been added. Currently pending in the application, therefore, are Claims 1-7, of which Claims 1, 4 and 6 are independent. No new matter has been added.

Claims 1 and 4 have been rejected under 35 U.S.C. §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Applicant has amended Claims 1 and 4 to correct antecedent basis, and syntax and improve clarity. Applicant has corrected the dependency of claim 5. Such amendments are not being made for reasons of patentability.

The claims as amended are believed to now be in condition for allowance.

Some amendments and remarks contained in this document, or in other documents filed or to be filed with the US Patent Office in this case or related cases, may in the future be deemed, by a court of law or government agency of competent jurisdiction, to be narrowing amendments and/or related to patentability. Accordingly, the public is hereby advised that the applicant: (a) intends to relinquish only that claim coverage which is clearly, explicitly, precisely and unequivocally stated to be relinquished; (b) does not intend to relinquish any other claim coverage; (c) reserves the right to assert that any such amendments and/or remarks are not narrowing and/or are not related to patentability; and (d) intends to fully assert the full range of
